

# ***CALL FOR ABSTRACTS***

2014 Combined Meeting  
April 27-30, 2014 Bakersfield, California

Pacific Section American Association of Petroleum Geologists  
Pacific Section SEPM (Society for Sedimentary Geology)  
Pacific Coast Section Society of Exploration Geophysicists

## **Special Session of the Pacific Section SEPM: “Cenozoic Geologic History of Southern California - Dedicated to the Memory of A. Eugene Fritsche”**

### **Organizers & Session Co-chairs:**

**Tony Reid**  
Occidental of Elk Hills  
Bakersfield, California

**Mario V. Caputo**  
Department of Geological Sciences  
San Diego State University &  
California Polytechnic University, Pomona

This Special Oral Session of the Pacific Section SEPM (Society for Sedimentary Geology) will honor the career achievements of Gene Fritsche, emeritus professor CSU Northridge: sedimentologist, field geologist, field trip leader, mentor, and a prominent institution in the Pacific Sections AAPG and SEPM. The session will showcase recent work of student and professional geologists on Paleogene and Neogene paleogeography, sedimentology, stratigraphy, and tectonism of the Santa Ynez Range, Santa Monica Mountains, San Joaquin Hills, Santa Ana Mountains, White-Inyo Mountains, Cuyama Basin, among other locations in greater southern California to which Gene passionately dedicated his field research.

***SUBMITTAL DEADLINE FOR THIS SESSION ONLY: February 28, 2014***

***SUBMIT ABSTRACT FOR THIS SESSION TO: [Jon Allen](#)***

***[Jonathan.Allen@chevron.com](mailto:Jonathan.Allen@chevron.com)***

***Indicate below the abstract title that the abstract is being submitted for  
the A. Eugene Fritsche Special Session***

***Please review PS-AAPG website for information regarding Abstract submittal:***
